It's Carnival Time again!!!
This year is bigger and better than ever.

This year we have entertainment, food, rides, games, entertainment, silent auction, the raffle, and did I forget to mention entertainment? I know what you are thinking—it's the same stuff different year. But wait—we have:

Bigger Tents!!!! There will be some major changes in the layout of the carnival. We will have entertainment and tables and chairs under one tent (a much larger tent). The headline entertainment this year will be: Phil Stacy on Friday night and Curtis Stephan on Saturday night. These are just the headliners. We have Dallas' country star Jon Rutherford opening for Phil. I have included the entertainment schedule.

Silent Auction—Cool!!! Silent auction will be moved into an air conditioned room in the southwest corner of the St. Ann Center. There will be signs to point your way. The Carnival committee is always working to make each year better.

Awesome Raffle Prizes!!! Mercedes—Trip—iPad. If you haven't gotten your chance at the car — there is still time. Tickets can be obtained at the parish office. Just a small donation for a chance at a big car.

Again, we would like to thank all the volunteers who have signed up year in and year out to help with Carnival. Last year all the Carnival volunteers really stepped up and helped. You make the whole thing happen. Well—God makes the whole thing happen— we are but His hands and feet. But you all have been many hands and many feet to help put the Carnival on every year. You show us every year what this event is all about: Fellowship and Faithfulness.

We hope to see you all at the Carnival.
